WORLD

World is beaty, world is wild World is every time in fight If ou want to live, better run As fast as shootting gun Wold i friendly like Donld Trump Over lnguage bariers we are jump We are singing like Rihnna We are watching Hannah Montna The whole wold is integration That is our big invention People always live in drama Get chill out and eat banana! Evil on the world is unnecessary Be playful like Katy Perry Life is beauty like Titanic But keep calm and don't panic. World is our good location, We must oftenly use comunication
