Creating  
your own  
world  
requires  
courage

# Day 1

## Before Noon:

Poland Team officialy greated everyone at project.

Every team prepared and performed activities, that idea was to bring all groups together.

Leaders of the groups presented plan of exchange and they explained everything about it. Plans was pinned to the wall in the workshop and posted on facebook fanpage.

## After Noon/In the evening:

All groups together established the rules of the exchange. We splited to the 8 international groups and chose who will be responsible for each day.

We ended day with reflection and talking about what we learned.

## Day 2

### Before Noon:

Every group prepared exercise to wake everybody for each day.

We splited into 6 groups with 2 poets in the group that wrote poems about: Love, Friendship and European Union; and rest of the group was working on the presentation about his national poets.

After the declamations of poems and showing the presenation, we talked about it and exchange our thoughts.

### After Noon/In the evening:

We talked about proces of creation poems and what we learned from writing.

On the evening there was a Spain National Night.

## Day 3

### Before Noon:

After the exercise to wake up everybody we splited into international teams and were preparing a play titled “Creating your own world requires courage”.

### After Noon/In the evening:

We were still preparing a play that we started before th noon.

Some time later for the break we gather into group and talked about what we learned

At the end of the day we perform our prepared plays, and after this there was a lithuanian national evening.

## Day 4

### Before Noon:

After the exercise to wake up, we took a big sheet of paper and went into public place in Zakopane. We invited local community to draw with us painting about **“Creating your own world requires courage”**. People who won't helped with that they're were walking and asking settlers of the Zakopane what are they thinking about title of project.

### After Noon/In the evening:

We prepared a video with results of asking local public community and we displayed it in workshop.

Next we splited into international team and drew a poster about things that are negative for us.

National evening that day were prepared by Poland team.

## Day 5

### Before Noon:

After the exercise to wake up, we were split into national groups and prepared presentations about sculptures in another eras.

### After Noon/In the evening:

Split into groups we gathered materials for our own sculptures. We presented them and next we had reflection time and talked about what we learned.

At the end of the day there was a Romanian National Evening.

## Day 6

### Before Noon:

After the exercise to wake up we find local community and showed them dances and drag them to dance with us hip hop, disco dance, street dance, modern jazz, dancehall.

### After Noon/In the evening:

We watched a Dirty Dancing (English version).

We talked about what we learned.

For this evening portugal made a National Evening.

## Day 7

### Before Noon:

After the exercise to wake up we gathered together and we wrote a song, with 6 verses in our languages.

### After Noon/In the evening:

We prepared a videoclip for our song. We talked about what we learned and we did activities.

Czech Republic was responsible for national evening.

## Day 8

### **Before Noon:**
